LEARN WITH DOWNLOADABLE, VARIABLE-SPEED RECORDINGS

For Mid-Elementary to Late-Elementary Level Piano Students

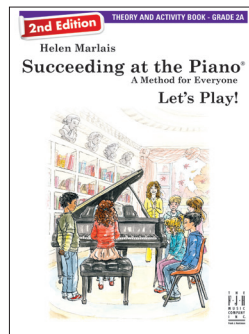

Imagine a student who is ready for level 2 of a method! What do they learn when using *Succeeding at the Piano*®? Tailor-make each student's musical education with *Succeeding at the Piano*® and with supplementary books in technique (body friendly, healthy technique!), sight reading and rhythm, theory, ear training, more intervallic reading, classical repertoire, and other repertoire styles including duets, jazz, timeless hymns, popular music, Christmas, folk songs, original solos, and classical themes.

Succeeding at the Piano® 2nd Edition

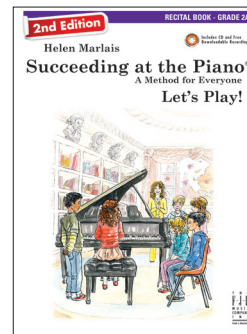

The joy-filled series that engages all aspects of learning in a holistic way. From the Prep level through Grade 5, the core components are a combined reading system, novel ways to learn and enhance rhythm, theory, musical creativity and imagination, and composition skills: expressive playing supported by detailed attention to technique, ear training, musicality; and a commitment to and ownership of mindful practice habits. The body-friendly technique in this series is informed by the best pedagogical practices and ensures modern, healthy, and effective lessons.
